#### Description

A very well-maintained and attractive motorhome with a length of 7.43 metres, built on the reliable Fiat Ducato platform. The vehicle offers a well-designed interior layout and extensive equipment for comfortable travelling and self-sufficient camping.

The living area features a comfortable rear queen-size bed, a spacious seating area and a fully equipped kitchen with stove, sink and refrigerator including a separate freezer compartment. The bathroom is equipped with a separate shower and a separate toilet compartment.

Additional features include a solar panel system, TV with electric antenna, air suspension, navigation system with rear-view camera, roof-mounted air conditioning, awning and a bicycle rack for two bicycles.

Thanks to its solar system, air suspension and extensive comfort equipment, this motorhome is ideally suited for long journeys, off-grid camping and year-round use.

The motorhome is in excellent technical and visual condition. A 12-month warranty is included in the purchase price.

#### Honest Motorhomes & Fair Prices

Thank you for your interest in this well-maintained motorhome. When you buy from us, you are not simply purchasing a vehicle - we guarantee a fast, straightforward and transparent buying experience in accordance with high European quality standards.
